

# Before

The image displays four wireframe screens arranged horizontally, representing the initial user flow of a workspace application. A dashed purple border surrounds the entire set of screens.

- Create Workspace:** Features a large blue 'W' logo at the top. Below it is the heading "Ease your work experience". A subtext reads: "Experience a new dimension of productivity and collaboration, empowering you to work effectively from anywhere in the world". At the bottom are two buttons: "Create Workspace" and "Join Existing Workspace".
- Enter your workplace:** Shows a person sitting at a desk with a laptop, looking at a QR code. The heading is "Enter your workplace" with the subtext "Fill the workspace code to continue". Below are two input fields with a separator "OR" between them: one for a workspace code (containing six placeholder dashes) and one for "Join with QR".
- Enter your workplace:** Shows a QR code with a green scanning frame. The heading is "Enter your workplace" with the subtext "Align frame with QR code to scan". Below the QR code are "Flash" and "Upload" buttons. There is also a "Join with Code" button at the bottom.
- Welcome to Workspace Name:** Displays a cartoon illustration of a person working at a desk with a globe and a computer monitor. The heading is "Welcome to Workspace Name". Below it is a login section with "Log in with the provided credentials" and two input fields: "username" and "placeholder". A note says "These information can be changed later". At the bottom are "Log In" and "Go Back" buttons.

**Thanks For Your Time!**
